

CLOUDANT DB

TEAM ID : PNT2022TMID28830

PROJECT NAME: PERSONAL ASSISTANCE FOR SENIORS WHO ARE SELF RELIANT

1. Open cloudant db and launch dashboard
2. Create the database

The screenshot displays the IBM Cloudant Dashboard in a web browser. The browser's address bar shows the URL: `f66dbac1-26c7-46da-8ca5-415752aaa434-bluemix.cloudant.com/dashboard.html`. The dashboard has a dark sidebar on the left with various icons, including a 'Log Out' button at the bottom. The main content area is titled 'Databases' and features a 'Create Database' button and a 'Database name' dropdown. Below this, a table lists the databases. The table has five columns: 'Name', 'Size', '# of Docs', 'Partitioned', and 'Actions'. A single database is listed with the name 'noderedmbnja20221114', a size of '20.7 KB', 3 documents, and is not partitioned. The 'Actions' column for this database contains three icons: a plus sign, a lock, and a trash can. At the bottom of the dashboard, a status bar indicates 'Showing 1-1 of 1 databases.' and 'Databases per page' is set to 20.

Name	Size	# of Docs	Partitioned	Actions
noderedmbnja20221114	20.7 KB	3	No
